

NADIA IRINA

MARKETEER
& FRONT-
END
DEVELOPER

DESCRIPTION

Creative and detail-oriented with a background in Marketing and a growing passion for Front-End Development. Experienced in building responsive websites using HTML, CSS, JavaScript, and React, with a strong sense of user experience and visual communication. Currently focused on developing personal projects to sharpen technical skills and expand a professional portfolio. Looking for opportunities to join dynamic teams where I can contribute with both technical and creative insights.
